Benzinbohrmaschine HZI-C42

hammer drill with SDS MAX
Item number:HZI-C42 4Takt

Price: EUR 1.290,00
(recommended retail price excl. VAT)

Technical data HZI-C42:

- rated input power / impact drill: 1.000 W
- impact energie: 3,2 J
- Full hammering frequency: approx. 800 - 2.800 impacts/min
- rotation per minute: 400p/min
- weight: 11,5kg
- length: approx.: 69 cm
- heigth: approx.: 28 cm
- attack tool: SDS-max

Drill diameter range:

drill-Ø concrete, rock, stone:	**04 - 26 mm**
drill-Ø steel:	04 - 13 mm
drill-Ø lumber:	04 - 30 mm

Technical data Honda petrol engine GX35:

- 1-cylinder 4-stroke OHC petrol engine GX35
- Stroke volume: 35,80 cm^3
- nominal speed: 7.000 /min
- fuel: 95 octane unleaded petrol
- tank capacity: 0,64 liters
- engine oil capacity: 0,10 liters
- fuel consumption at continuous output: 0,71 liters / hour, 7.000 /min
- lubrication: oil mist
- compression 8 : 1
- bore x stroke: 39 x 30 mm
- rotation: clockwise
- ignition system: electronically
- torque: max 1,6 Nm / 0,16 kgfm / 5.500/min

The Honda 4 stroke advantage: no smell, no disturbance, saves money

Hassle free start thanks to Honda super-easy start: doesn't matter if hot or cold, the C50 petrol drill with a Honda 4 stroke engine can be easily started in every position (up to 360°).

HZI - Hydraulikzentrum Industriebedarf GmbH • Gewerbepark Pitztal Nr. 7 • A-6471 Arzl im Pitztal

The C50 Petrol drill with a Honda 4 Stroke engine needs up to 50% less petrol and up to 80% less oil compared to similar 2 Stroke petrol drills. 2 separate tanks make the mixing of oil and petrol unnecessary.

The noise level is way lower compared to similar 2 stroke petrol drills. This makes working with the C50 much more pleasant for the ears.

Fatigue-free work thanks to minimal vibrations.

Our C50 with a Honda micro-4-stroke engine has way less pollutant emissions compared to similar 2 Stroke engines. Your share for a cleaner environment.

The Honda 4 Stroke engine has a phenomenal motor acceleration.

With our 4 Stroke machine, there is no more typical oil petroleum mixture stench like 2 Stroke engines produce.

The Honda Motor 360° can be used in every angle.

ALU transport case (sold seperately):
practical for transport or storing of your Hammerdrill and accesories
